These materials may be downloaded during the course, however, these materials are for registered students' use only. Classroom materials may not be reproduced or shared with those not in class, or uploaded to other online environments except to implement an approved Office of Student AccessAbility accommodation. Course Pre-requisites, Co-requisites, and/or Other Restrictions

Upper-division standing. Restricted to students in the UT in DC Archer Fellowship Program. Taught in Washington, D.C.

Course Overview

This course will give you a brief introduction to the federal policymaking process from the perspective of the legislative branch of government in the United States. Students will work closely with the class lecturers, each of whom is an experienced policy expert, to identify stakeholders in the federal policy process and understand the various entry points for these stakeholders to influence the policy outcomes. The class will operate as a policy simulation in which students role play members of Congress and learn how to craft legislative policy through participating in simulated congressional hearing and bill mark-up in a congressional committee.

Student Learning Objectives/Outcomes

Upon completing the class, students will be able to:

1. Explain the influence of politics on the policy and procedures of the legislative branch of government.
3. Conduct in-depth research on a policy issue and then compile a cohesive policy analysis and proposal for revising an existing statute.
4. Write policy memos.

Assignments & Academic Calendar

Course Details

Each class meets weekly for 3 hours, with a short break between sections, and will follow this format (unless otherwise noted):

6:30-7:30 pm ET Part I of class: Lecture with Dr. Chin

7:30-9:30 pm ET Part II of class: Workshop Groups directed by the lecturers

Classes will meet at the Archer Center. Additional meetings may be scheduled on Teams.

Course Policies

Make-up exams: No exams.

Late Work: No late work accepted without prior discussion with Dr. Chin or your lecturer.

Class Attendance

Tardies & Absences – Students are expected to be in **class by the posted start time (for most classes, this is 6:30 p.m. EST)**. Students who find themselves unable to attend class (or the discussion sessions) or who may be delayed due to personal or professional circumstances *beyond their control* should inform Dr. Chin as soon as possible (preferably *prior to class*).

Classroom Citizenship

- Decorum and professionalism are expected in the classroom and online at all times. Respect for the professor, classmates and their opinions, guest speakers and their opinions, and Archer Center staff are also required. The professor reserves the right to deduct points from class participation should any improprieties occur throughout the course of the semester.
- Masks are encouraged, but not required, to be worn while inside the Archer Center.
- During any sessions with guest speakers, **students are expected to pay attention to the speaker. For students participating in person, this means they should turn put down mobile devices and laptops. During virtual sessions, students should remain “on camera.”**

- WHY? When we're not giving our full attention to our guests, we can leave them with the (incorrect?) impression that we don't care about what they are saying. We look distracted. We look disengaged. We look disconnected.

Grading Policy

Students are expected to come to class prepared to discuss the assigned reading material and to interact knowledgeably with guest lecturers.

Final grades will be determined based on the following:

5% Fastwork (graded by Dr. Chin)

- Team reading of *Declaration of Independence* (5%)

35% Community Service, Attendance, Difficult Dialogues (graded by Dr. Chin)

- Community Service Project (15%)
- Class Attendance (10%)
- Difficult Dialogues (10%)

60% Policy Simulation Assignments & Participation (graded by Lecturers)

- Background & Analysis Memo (10%)
- Hearing Participation & Staff Memo (25%)
- Mark-up Participation & Memo with legislative language & advocacy materials (25%)

Details

5% Fastwork

- (5%) **Team reading** of Declaration of Independence. **Due 9/6/22. Post video to Fall 2022 Facebook group page by 11:59 pm ET.**
 - Each 4-person **team** must read the Declaration out loud in a public space. A video of the reading, which shows each member of the team reading a portion of the Declaration, must be posted to the **Fall 2022 Archer Fellows Facebook group page by 11:59 pm ET on Sept. 6, 2022.** This is worth 5% of the semester grade.

35% Community Service, Attendance, Difficult Dialogues

- (15%) **Community Service Project** – You will work with your lecturer and individual group (congressional committee) to design and implement a service project to address a need in the metropolitan Washington, D.C. area. The stakeholders who will benefit from this project should be a group whose interests are relevant to the committee that is represented by the workshop group. The projects must be completed by **November 22, 2022**. In class on **November 28, 2022**, the committee chairs and ranking members will present a brief report about their group's project in the first hour of class.
 - **By 11:59 pm ET October 3, 2022**, the committee chairs and ranking members should submit a written plan describing the project. Your plan should include a timeline for completion of the task(s), and an outline of the persons who are responsible for these tasks. You should also include an itemized budget spreadsheet for the project. If you need to order any items, please include in the spreadsheet a list of the items, the source for the items, and the person responsible for receiving delivery of the items. *Each group must e-mail their draft budget and project timeline by 11:59 pm ET on 10/3/22 to your lecturer and Dr. Chin and also submit the documents to https://utdallas.qualtrics.com/jfe/form/SV_6EvRAGId7sIk24S.*
 - Work with your lecturer and classmates to decide what your group wants to do. You are free to decide how many projects your committee/workshop group will complete by **November 22, 2022**. For example, the project could be one that involves all 16 members of your committee; or a joint collaboration with another committee; or several smaller group projects within each committee/workshop group.

- Generous donors to the Archer Center have provided funding for this project. Each committee/workshop group will have up to **\$650** to cover expenses associated with the project. **The project must require personal engagement of each member of the committee/workshop group.** It cannot simply be a directive to send money to an organization. Your goal should be to achieve maximum impact with minimal cost.
- (10%) **Class Attendance** – Attend weekly class and workshop group sessions. You must participate in-person as scheduled.
- (10%) **Difficult Dialogues** – Each student must find another student with whom they share significant differences in opinions/ideology/personality/ philosophy. **They must work together to identify ways to communicate effectively, build a collaborative relationship, and find some common agreement.** Each student must write 2 Difficult Dialogues. These can be with two different people, or with the same person at different points in time. Your Difficult Dialogue partner must **NOT** be one of the people who share an apartment with you.
 - **Objectives**
 - Develop skills for listening to people who disagree (or are disagreeable), and understanding their perspective.
 - Identify areas of common agreement/beliefs.
 - **Assessment:** Clear prose, analysis, engagement with subject. Demonstrate that you have reached an understanding of how the other person interprets information, understands/perceives conversations/ideas.
 - **Task**
 - Identify another Archer Fellow in the current cohort with whom you have some fundamental point/issue of disagreement. Your Dialogue partner should be a person who is unlike you—it could be someone you don’t know well, or someone whose personality, political or policy views are generally opposite to yours, or someone you don’t like or with whom you don’t naturally “click”. [*Do not select your BFF and start an argument. Do not select a Dialogue partner who is already committed to dialoguing with another Fellow.*]
 - Over the next few weeks, make an effort to connect with this person and work to identify areas of common understanding or experience. Also work to identify, articulate and practice/implement the tools/skills/tactics/strategies that will best enable you and your “adversary” to reach an agreement or mutually satisfactory decision about an action.
 - In an individually-written essay, describe the areas of differences/conflict and the areas of agreement/understanding that you have identified in each other. Then explain how you reached a conclusion about the tools/skills/tactics/strategies that will enable you to effectively communicate your ideas to each other, as well as make decisions in a collaborative manner.
 - **Each party** in the pairing must submit an individually-written essay. **Email the essay to Dr. Chin by 11:59 pm on the posted due dates.**
 - **Please proofread** your essays for grammar and punctuation. Points deducted for sloppy work. Dr. Chin will grade these assignments.
 - **Deadlines**
 1. (5%) First Difficult Dialogue: **Due 09/19/22**
 2. (5%) Second Difficult Dialogue: **Due 11/28/22**

60% Policy Simulation Participation & Assignments

- (10%) **Background & Analysis Memo** (1-2 pages) FINAL DUE: email to your lecturer (and copy Dr. Chin) by **11:59 pm ET 10/17/22.**
- (25%) **Hearing Participation & Staff Memo** (Staff Memo to Member Persona) – (1-2 pages) In this paper, you summarize the issues to be covered at the hearing and provide a list of questions for the witnesses.

explain the various facets of the committee’s legislative process and will also coach the students as they develop their policy proposals. Each student must research the background of their Member Persona in order to role-play that member in the end-of-course policy simulation. During the Workshop Group sessions, each student must be prepared to explain their Member Persona’s reaction to the policy proposals that are being developed.
